## LIBRARY EXPERIENCE

### Bristol Cathedral Choir School — Assistant Librarian

AUGUST 2020 - PRESENT, Bristol UK

- Initiate provision of mobile library and materials delivery service across seven grade levels, increasing circulation by 48% from the previous year.
- Adapt and create flexible library services and programs to adhere to shifting government guidelines and Covid-19 restrictions for schools.
- Design and deliver library lesson curriculum for students ages 10-14.
- Manage collection and improve integrity of bibliographic database through complete stock take of the collection.
- Participated in the schoolwide project to decolonize the curriculum, and develop measurable goals for equity and diversity in the library/collection.
- Increased engagement with social media channels by 25% within the first six months.
- Raised profile of the library through designing a public-facing page on the [school website](#).
- Support staff, volunteers, and students in creating a safe, welcoming, and efficient Covid-19 testing operation.

### St. Bede's College — Library Assistant

FEBRUARY 2020 - AUGUST 2020, Bristol UK

- Collaborate with teachers and staff to support the core curriculum.
- Designed a '[Virtual Library](#)' website to provide digital access to resources during Covid-19 school closures.
- Led school communications response at the start of the pandemic by creating a bi-weekly library newsletter to increase engagement with 1154 students and their families.
- Spearheaded a diversity audit of the fiction collection and created relevant book lists and posters to promote equity.
- Rolled out provision of personal library accounts and optimized library management system (Eclipse) for students and staff.
- Adapted book clubs to run in a virtual environment through Google Classroom.

### Milwaukee Public Library (Adecco) — Summer Reading Outreach Consultant

MAY 2019 - AUGUST 2020, Wisconsin USA

- Created and delivered engaging read alouds and age-appropriate, activities to cultivate a love of reading in children ages 4-12.
- Scaled programming for 10 outreach sites to mixed age groups ranging in size from 30-350 children.
- Fostered relationships with staff at outreach sites and shared professional development content for literacy development.
- Coordinated end of summer celebrations, evaluations, and distribution of prizes for each site.
